“There is a lot to discuss, as our nation grapples with difficult economic times that have been made worse by a crisis in U.S. financial markets and continuing wars abroad. I invite each and every one of my constituents to attend my Jersey City Listening Session so that I can hear your thoughts about the challenges our state and economy face. I also would like to share with you what I’m doing in Congress to improve the quality of life for New Jersey residents and strengthen our nation. As always, it is an honor to serve and fight for you in Washington, and I look forward to seeing you on the 21st,” said Rothman.
