Flags

If you are interested in purchasing a flag, Congressman Steve Rothman would be pleased to assist you. He can also request to have your flag flown over the U.S. Capitol on a specific date, provided you can give at least two months notice.

We offer two different types of flags, nylon and cotton. If you plan on flying your flag often, the nylon flags last longer. But if you want to display it indoors, cotton is much more elegant.

You can order your flag(s) two different ways: complete our electronic Flag Request Form or call our office at (202) 225-5061 and place your order.
