(Englewood, NJ)— On Monday, January 21st, Congressman Steve Rothman (D-NJ) attended services at Ebenezer Baptist Church in Englewood to honor the life and work of Dr. Martin Luther King, Jr. Congressman Rothman spoke of Dr. King's lasting legacy and the present need for action.

"Dr. King had the courage to believe in change, to preach hope, to urge good people to act. He spoke out against what he saw as a misguided war and spoke out for a bold change in our nation's social and economic policies," Rothman said. "In one of his many addresses, Dr. King spoke of 'the fierce urgency of now.' That spirit stirs in the air around us as we near the Presidential Primary Election. We must all vote and make our voices heard and, in doing so, take a positive step toward Dr. King's Dream and the dreams of all those before and after him.

Congressman Rothman was introduced by the Pastor of Ebenezer Baptist Church, the Rev. Wm. Marcus Small. Also speaking at the services were Rev. Dr. Vince L. Monden, Pastor of St. James A.M.E. Zion Church in Perth Amboy, and Englewood Mayor Michael J. Wildes.
