

## Jersey City

New Jersey's second-largest city and the seat of Hudson County, Jersey City is a vibrant and diverse community just across the Hudson River from Lower Manhattan. Once a thriving railroad hub, Jersey City has undergone a renaissance in the last quarter-century with the development of its waterfront as well as a booming financial district.

With a population of over 240,000 people and attractions such as Liberty State Park and Leonard Gordon Park, Jersey City hosts numerous arts and cultural street festivals throughout the year including the "Everything Jersey City" festival. Jersey City is also the home of three distinguished universities: St. Peter's College, New Jersey City University and Hudson County Community College.
