Rothman Announces 19 August "Listening Sessions"

Hackensack, NJ- As part of his continuing effort to address his constituents' concerns and hear their ideas, Congressman Steve Rothman (D-Fair Lawn) today announced that he will host 19 "Listening Sessions" in August throughout his Ninth Congressional District of New Jersey.

"I work hard to be accessible and responsive to the people I represent," Rothman said. "These town hall meetings give my constituents another opportunity to ask questions and express concerns directly to me, face-to-face. Last year's 'Listening Sessions' were a great success and I look forward to another series of 'Listening Sessions' with my constituents. I encourage my constituents to attend one or more of the 'Listening Sessions' in their town or surrounding towns."

Each "Listening Session" is open to all of Rothman's constituents, regardless of whether they live in the municipality in which the meeting is being held. Those area residents with additional questions about Rothman's "Listening Sessions" tour, who need special accommodations to attend or are unable to make a session, but would like to register a request, opinion, or complaint, are encouraged to call his Hackensack office at 201-646-0808.
